SANITATION AGREEMENT

In an effort to minimize the exposure and spread of COVID-19, we are currently requiring sanitation of all incoming goods in order to be received and reviewed for potential consignment. Items not sanitized prior to drop off will be rejected or quarantined for no less than 10 days and reduced in priority to incoming goods meeting this requirement.

SANITATION POLICY:

ON THE DAY OF YOUR DROP OFF - All clothing and fabric goods (*already clean & dry*) must be run through a **HOT AIR cycle in a clothes dryer for **15 minutes**. Items should then be fastened, folded and placed in a handled shopping bag, box or bin in preparation for your scheduled appointment. No additional contact should be made with these goods. Shoes and other items not suitable for the dryer should be placed in a separate bag to be handled by our staff.**
